

Dalton Levi Cantrell

1640 Shipley Rd. Unit B | Cookeville, TN 38501 | 317-753-9314 | dlcantrell42@tntech.edu

Summary

I am dedicated to my work at hand and completing my education to secure my future. I am invested in obtaining an internship pertaining to electrical engineering in the summer of 2026 towards this goal. While I have not decided on a specific concentration within electrical engineering, I strive to learn as much as possible of the subject as a whole with hopes that having a broad knowledge base will narrow my interests into a passion for a particular career.

Education

- **Tennessee Technological University, Cookeville, TN** **Fall 2024 – Present**
Bachelor of Science in Electrical Engineering
- **Pellissippi State Community College, Knoxville, TN** **Fall 2021 – Spring 2024**
Associate of Science – GPA 3.8
- **Roane State Community College, Harriman, TN** **Fall 2016 – Spring 2017**
Associate of Science

Work Experience

- **Device Repair Technician – William's Batteries LLC** **November 2018 – May 2024**
This role gave me the opportunity to express my passion for electronics by repairing a wide range of devices from industrial equipment to personal electronics such as computers, smart phones, tablets, etc.
- **Sales Associate (Computers) – Best Buy** **October 2017 – November 2018**
- **Assistant Manager – Zaxby's** **October 2016 – October 2017**
- **Cook/Shift Leader – Zaxby's** **October 2015 – October 2016**
